

# HAPPY BIRTHDAY AL CAPELLO!!

CRAP!

He will be 50, my gosh it's true!

What in the world is he gonna do?

Orange is his color, but turning 50 is black

Combine the two and Halloween is back!

He loves country music, oldies are best

Throw in old Hip Hop, and toss out the rest!

Let's get together to celebrate the night

Turning 50, you know, will be such a fright!

Celebrate til midnight with DJ and Dance

Eat appetizers til we unbutton our pants!

Drink all you want and crawl to your bed

Or designate a driver: Just don't wake up dead!

We hope you will come; it wouldn't be the same

Without everyone there to witness the shame!

It's no surprise, the truth must be told

Tell the whole world *Al is 50 years old!*
